Om Shelke

Computer Engineering Graduate

Mumbai, India | 9923099620 | om.shelke@vit.edu.in

PROFESSIONAL SUMMARY

Enthusiastic Computer Engineering graduate with strong skills in software development, problem-solving, and AI/ML fundamentals. Experienced in building real-world projects using Python and web technologies. Passionate about creating efficient, user-friendly applications and learning emerging technologies.

TECHNICAL SKILLS

- Languages: Python, C, Java, JavaScript
- Web: HTML, CSS, JavaScript
- Core: Data Structures & Algorithms, DBMS, Operating Systems, Computer Networks
- Tools: Git, GitHub, VS Code, Jupyter Notebook, MySQL, Linux (Basics)
- Strengths: Problem Solving, Debugging, Analytical Thinking

PROJECTS

- AI-Based Tic-Tac-Toe Game: Built an AI-powered game in Python with multiple difficulty levels, score tracking, and interactive UI.
- Secure Login System: Developed a user authentication system using hashing to securely store passwords and improve security.
- Web Puzzle/Game: Created a browser-based interactive game using JavaScript with responsive design and smooth gameplay.

EDUCATION

- B.E. Computer Engineering – Vidyalankar Institute of Technology (VIT), Mumbai | 2028

CERTIFICATIONS

- Introduction to AI/ML – Google
- Python Programming Certification – Sabedor

ACHIEVEMENTS & ACTIVITIES

- Participated in coding competitions and technical workshops
- Active learner exploring AI/ML and new technologies
- Built multiple mini-projects for hands-on experience

LANGUAGES

- English | Hindi | Marathi
